WHEREAS, the “Declaration Of Covenants, Conditions, Restrictions And Easements Of Summit Ranch” was recorded in the Official Public Records of Parker County, Texas on May 29, 2024 as Document Number 202413602 (the **“Declaration”**); and

WHEREAS, Savage Creek, L.L.C., a Texas limited liability company, (**“Savage Creek”**) is the sole Member of the Summit Ranch Homeowners’ Association, Inc., a Texas nonprofit corporation (the **“Association”**), as none of the Lots, as defined in the Declaration, have been sold; and

WHEREAS, Savage Creek, as the sole Member of the Association, hereby waives the notice of a meeting of the Members of the Association to adopt an amendment to the Declaration; and

WHEREAS, Savage Creek, as the sole Member of the Association, has 100% of the voting rights of the Members; and

NOW, THEREFORE, Savage Creek, as Declarant, as defined in the Declaration, and as the sole Member of the Association, hereby adopts, establishes, and imposes upon the Property, as defined in the Declaration, and declares that the Property shall be held, transferred, sold, conveyed, mortgaged, occupied, and enjoyed, subject to the following amendment to the Declaration:

Section 4.5 of the Declaration is hereby deleted and superseded in its place with the following:

4.5 Minimum Setback. No improvements of any kind (other than approved fences) may be placed closer than the following setbacks from the edge of each Lot: 20' back and 10' sides. No improvements of any kind, including fences, may be placed closer than 25' from the rights-of-way for the Roads along the front of the Lots. In cases where rugged terrain is encountered, thus necessitating, or making it hardly desirable to use such space, a variance to this restriction may be granted by written approval of the ARC, within its sole discretion.

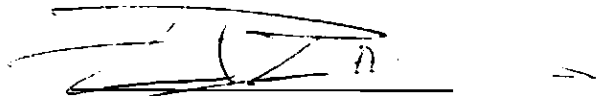

The Association and Savage Creek, by the execution of this Declaration, acknowledges and agrees that the Association, the Members, and Property are hereby bound by this Amendment.

Except as specifically set forth herein, the Declaration is unchanged and shall remain in full force and effect and shall govern Summit Ranch and the Association.

ARTICLE 2

ARCHITECTURAL REVIEW

2.1. Architectural Review Committee. In order to protect the overall integrity of the development of the Property as well as the value of the improvements of all Owners, a committee of representatives designated as the Architectural Review Committee is hereby established to carry out all duties as noted herein with full authority to approve, disapprove, and monitor all construction, development, and improvement activities of any kind within the Property and to help ensure that all such activities are in accordance with the Restrictions, the Design Guidelines, and architecturally and aesthetically designed to be compatible with the Declarant’s conceptual plan for the overall Property. At the discretion of the Board, the duties of the ARC may be delegated in whole or in part to a third-party representative of the ARC who need not be an Owner or member of the Board.

2.2 Plans and Specifications to ARC. (a) No Residence, garage, outbuilding, fence, storage tank, Structure, or inanimate improvement of any kind shall be erected, placed, constructed, installed, maintained, modified, or altered (including exterior cosmetic alteration such as painting) by any Owner, other than Declarant, nor shall any sitework be commenced by any Owner, other than the Declarant, until a complete set of plans and specifications, and the construction contract with the Owner's builder shall have been formally submitted to the ARC with a written request for approval and the ARC's written approval received. Plans and specifications which are submitted shall contain and include, but not necessarily be limited to, all the following information (collectively the "Plans"): floor plans, including finish floor and ground elevations; foundation plans; exterior elevations for any Residence, garage, or building; a plat or site plan showing the proposed location of any such improvements and all utilities thereto; exterior lighting and location; samples of exterior finish materials and color samples; and any other plans, specifications, or information deemed pertinent by the ARC, including but not limited to, all matters required by the Design Guidelines. The architectural and aesthetic style of the improvements shall harmonize as much as may be responsible and practicable with each other and with the heritage and historical architecture of the area. Notwithstanding anything herein, Declarant may commence construction of any improvements without the submission to or approval of the ARC. Submission shall only be by email or certified mail, return receipt requested. Submission or inquiries to the ARC via text shall not constitute official action, including approval, by the ARC.

2.3 ARC Review. The ARC shall review all Plans submitted for compliance with all the requirements of the Restrictions and the Design Guidelines and for the compatibility of the proposed improvements with the architectural and aesthetic goals of the Property and Declarant. Each Owner may be required to pay certain fees to the ARC to reimburse the ARC for the cost of its Plan review as determined by the Board. The ARC shall have full right and authority to utilize its sole discretion in approving or disapproving any Plans which are submitted.

2.4 ARC Discretion to Approve or Disapprove. The ARC will approve or disapprove of Plans in accordance with this Declaration and the Design Guideline. Approval may be withheld if the construction or architectural design of any improvement is deemed, on any grounds, including purely aesthetic grounds, necessary to protect the continuity of design or value of the Property, or to preserve the serenity and natural beauty of any surroundings. Prior approval or disapprovals of the ARC pertaining to any improvement activities or regarding matters of design of aesthetics shall not be deemed binding upon the ARC for later requests for approval if the ARC feels that the repetition of such matters will have an adverse effect on the Property. The ARC shall have the express power to construe and interpret any covenant herein that may be capable of more than one construction, and to grant variances for certain requirements when, in its discretion, it is appropriate to do so (but no variance will be effective unless in writing and signed by the ARC, or by the Board if approved on appeal). All approvals or disapprovals by the ARC are for the sole benefit of the Association and the respective Owner to whom that approval or disapproval is addressed, and no other Owner or any third-party is or shall be deemed to be a third-party beneficiary of such approval or disapproval.

2.5 Failure of ARC to Respond. In the event the ARC fails to approve submitted Plans within thirty (30) days after submission, the applicant shall give the ARC written notice via email or certified mail, return receipt requested of its failure to respond. Unless the ARC responds within ten (10) days of receipt of such notice, approval will be deemed granted.

2.6 ARC Right to Inspect. During reasonable hours and, if the Residence is occupied, after reasonable advance notice, Declarant, members of the ARC, any member of the Board, or any authorized representative of any of them, shall have the right (but not the obligation) to enter upon and inspect any Lot, and any Structure thereon, for the purpose of ascertaining whether or not the provisions of this Declaration have been or are being complied with, and said persons shall not be deemed guilty of trespass by reason of such entry. All such inspections are for the sole benefit of the Association and no individual Owner or any third-party is or shall be deemed to be a third-party beneficiary of such inspections.

2.7 ARC Variances. The ARC may grant variations from compliance with any provision of these Restrictions when, in its opinion and in its sole and absolute discretion, such variance will not impair or detract from the high-quality development of the Property. All variances must be in writing to be enforceable. The granting of a variance shall not operate to waive, modify, or amend any provision of this Declaration. A granted variance applies only to the particular Lot and matter covered by the variance, and such variance shall not be considered to establish a precedent for future waiver, modification, or amendment of the provisions of this Declaration.

2.8 ARC Decision and Appeal. The ARC shall have the authority to employ professional consultants at the expense of the Association to assist it in performance of its duties. As long as Declarant owns one (1) Lot, the decisions of the ARC shall be final, conclusive, and binding upon all parties; however, thereafter, a decision by the ARC denying an application or request by an Owner for the construction of improvements on a Lot may be appealed to the Board as provided by Section 209.00505 of the Texas Property Code.

2.9 No Liability. Neither the ARC, its members, Declarant, nor the Board shall be liable to any person (including Owners and builders) for any damages arising out of or related to their acts or omissions as set forth in this Article III under any circumstance, except in the case of gross negligence or willful misconduct. Neither the ARC, its members, Declarant, nor the Board shall be deemed to have made any warranty or representation to any Owner, builder, or other third-party about any matter whatsoever arising out of any approvals or inspections. Without limiting the foregoing, it is expressly agreed that no approval of Plans by the ARC and no construction inspection approval shall be deemed a representation or warranty by the ARC that any Residence has been or will be compelled in a good and working manner or in compliance with this Declaration or the Design Guidelines. No discretionary acts by the ARC (such as approval or disapproval of Plans) shall give rise to any liability of the ARC, its members, Declarant, or the Board.

2.10 Number and Makeup of ARC Members. The Declarant shall determine the number of members of the initial ARC. So long as Declarant owns at least (1) Lot, Declarant shall,

in the Declarant's sole discretion, appoint all members of the ARC and shall have the power to remove an ARC member at any time for any or no reason. In the event of the death or resignation of any member of the ARC, Declarant shall have full power and authority to appoint a successor committee member or members, chosen in its sole discretion, with like authority.

2.11 Number and Makeup of ARC Members When Declarant No Longer Owns At Least One (1) Lot and Appeal. When Declarant no longer owns at least one (1) Lot, the following shall apply to the Association:

(a) The Board shall appoint the members of the ARC, which shall consist of at least three (3) but no more than five (5) members and may or may not be members of the Association.

(b) No person may be appointed to serve on the ARC if the person is a current Board member, a current Board member's spouse, or a person residing in a current Board member's household.

(c) A decision by the ARC denying an application or request by an Owner for the construction of improvements may be appealed to the Board. A written notice of the denial must be provided to the Owner by certified mail, hand delivery, or electronic delivery. The notice must: describe the basis for the denial in reasonable detail and changes, if any, to the application or improvements required as a condition to approval; and inform the Owner that the owner may request a hearing on or before the 30th day after the date the notice was mailed to the Owner. The Board shall hold a hearing under this section not later than the 30th day after the date the Board receives the Owner's request for a hearing and shall notify the Owner of the date, time, and place of the hearing not later than the 10th day before the date of the hearing. Only one hearing is required. During the hearing, the Board or the designated representative of the Association and the Owner or the Owner's designated representative will each be provided the opportunity to discuss, verify facts, and resolve the denial of the Owner's application or request for the construction of improvements, and the changes, if any, requested by the ARC in the notice provided to the Owner. The Board or the Owner may request a postponement. If requested, a postponement shall be granted for a period of not more than 10 days. Additional postponements may be granted by agreement of the parties. The Association or the Owner may make an audio recording of the meeting. The Board may affirm, modify, or reverse, in whole or in part, any decision of the ARC as consistent with this Declaration and the Design Guideline.

2.12 Design Guidelines. The ARC may promulgate and publish the Design Guidelines. The Design Guidelines, as amended from time to time, shall be incorporated into this Declaration by this reference. A copy of the Design Guidelines will be furnished to any Owner upon request. The Design Guidelines will supplement the Declaration and may make other and further provisions relating to the appearance, design, quality, and construction of improvements. The Design Guidelines may be more restrictive than the Restrictions. After expiration of the Development Period, the Design Guidelines may be amended from time to time by the Association upon the affirmative vote of sixty-seven percent (67%) of the Members. The Design Guidelines may include or incorporate any Rules and Regulations promulgated by Declarant or the Board.

2.13 Most Restrictive Instrument Applies. To the extent of any conflict between this Declaration, the Design Guidelines, or the Plats, the most restrictive instrument shall control. Accordingly, each Owner must obtain and study all three (3) instruments and provide them to their architect, builders, contractors, and other appropriate parties prior to purchasing a Lot or commencing the construction of any improvements thereon.

ARTICLE 3 **GENERAL RESTRICTIONS**

3.1 Single Family Residential Uses Only. No part of a Lot, or improvements thereon, shall be used for any purpose other than one Residence on each Lot and certain accessory improvements, to the extent accessory improvements are specifically authorized elsewhere by the ARC for a particular purpose and specifically authorized in this Declaration. It is the intent of Declarant that Summit Ranch be a community comprised solely of Single-Family Residences. The construction of any duplex, triplex, quadplex apartment house, or other multi-tenant building is expressly prohibited. No garage may be used as living quarters, and no garage apartment for rental purposes will be permitted. No rooms may be rented to third-parties not included in the definition of Single Family.

3.2 No Commercial Use. An Owner may maintain an office in a Residence for business purposes so long as, (a) the business does not involve any employee, customer, client, coworker, or other party being present at the Residence, and (b) there is no outward sign or other visible evidence of the business on the Lot. No other business or commercial activity of any kind shall be conducted on a Lot, whether for profit or nonprofit. Private orchards and gardens shall not be deemed to be commercial or business activity. No business or hobby may be conducted on any Lot which attracts vehicular or pedestrian traffic to the Lot. No garage sales, yard sales, patio sales, sample sales, promotional parties, or similar activities shall be conducted on any Lot.

3.3 Lease Restrictions. A Residence may be leased for a period of no less than (1) year. All leases must be in writing and a copy of the lease delivered to the Association within ten (10) days after its execution. All tenants shall agree to be bound by the Restrictions, but the lease of the Residence shall not discharge the Owner from compliance with any of the obligations and duties of the Owner. All leases shall make reference to the Restrictions and Owners shall provide tenants with a copy of this Declaration. All Leases shall be subject to this Declaration and the other documents of the Association, regardless of whether the lease makes specific reference to them or whether the Owner delivers this Declaration to the tenant.

3.4 No Mobile Homes. Except as otherwise specifically set forth herein, no mobile home, trailer home, manufactured home, modular home (single or double wide), or prefabricated home of any kind, whether or not it has wheels or the wheels have been removed, shall be allowed on any Lot.

3.5 No Temporary Structures. (a) Except for the benefit of the Declarant or as otherwise allowed herein, no Structure of a temporary character (whether trailer, tent, shack, etc.) shall be used on any Lot at any time for storage or as an office or Residence, either temporary or

permanently; provided, however, with the prior ARC approval, a job site trailer may be placed in the Lot during construction of the Residence thereon.

3.6 No Subdividing, Combination, or Replating. No Lot may be subdivided at any time by any Owner other than the Declarant, and no Owner other than Declarant may sell or transfer less than 100% of any Lot (other than the sale or transfer of an undivided interest in an entire Lot to a Single Family member). No Lot may be combined with or replated into another Lot, in whole or part, other than by Declarant, absent an amendment to this Declaration. Declarant may replat all or any part of the Property if not previously conveyed by Declarant to a third party; provided, however, no part of the Property may be replat, other than by Declarant, absent an amendment to this Declaration.

3.7 Parking. All vehicles belonging to Owners, tenants, or guest must be parked in the Owner's driveway, garage, or other ARC approved parking area overnight. No tractor trailer rigs and/or their trailers may be parked on any part of the Property. No more than (2) vehicles bearing commercial insignia or names shall be parked on any Lot, and then only if the vehicle is utilized by the Owner as transportation to and from the Owner's place of employment. No vehicle of any size which transports flammable or explosive cargo may be kept on a Lot at any time other than the temporary parking of a properly licensed fuel truck that dispenses propane in the Owner's approved on-site propane tank. No travel trailer, motor home, camper, boat, aircraft, recreational vehicle, motorcycle, ATV or truck larger than (1) ton or similar vehicle or trailers shall be parked overnight in front of any Residence. No such vehicles or trailers that are stripped down, wrecked, junked, or inoperable shall be kept, parked, stored or maintained on any Lot unless in an enclosed Structure or in a screened area which prevents the view thereof from any other Lot or the Roads. The ARC shall have the absolute authority to determine from time to time whether a vehicle is operable, and if not, adequately screened from public view. Upon an adverse determination by the ARC the vehicle shall be removed or otherwise brought into compliance with these Restrictions.

3.8 No Drilling Operations by Owners. The minerals under the Property are not owned by Declarant. Declarant, the Association, and the Members acknowledge that the owner(s) of the minerals related to the Property, as the owners of the dominant estate, have the right to reasonably use the surface of the Property to develop the minerals while accommodating the then current use; however, to the extent permitted by law, the surface of the Subdivision shall not be utilized for the development of oil, gas, or other minerals, or the operations related thereto. Each Owner understands and agrees that to the extent within an Owner's control, the Owner agrees that the Owner will not agree or consent to oil and/or gas drilling, operations, or development of oil, gas, and other minerals on the Property by existing or future mineral lessees of the mineral owner(s). Each Owner further acknowledges that neither Declarant nor the Association owns the minerals underneath Summit Ranch or have control over the development of minerals under the Property now or in the future.

3.9 Trash. (a) No trash, garbage, debris, or other refuse may be burned, stored, disposed of, or allowed to remain upon any Lot or the Roads, whether the Lot is vacant or otherwise. No Lot will be used or maintained as a dumping ground for rubbish, rocks, brush, grass clippings, garbage, dirt, or trash. Garbage and other waste will be kept in sealed, sanitary containers

prior to disposal. Rubbish, trash, garbage, or other waste material to be disposed of shall be placed at all times in an appropriate varmint resistant receptacle. The Owners shall contract for the collection and removal of garbage with a third party. If receptacles are not provided by the garbage collection service with whom the Association or Owner contracts, then each Owner shall be responsible for purchasing and maintaining its own garbage receptacles. Each receptacle must be approved by the Declarant or the Association. No such receptacle shall be placed for collection in a location visible from any of the Roads more than twenty-four (24) hours prior to the scheduled collection time or allowed to remain in a location visible from any of the Roads more than twenty-four (24) hours after the scheduled collection time.

3.10 No Nuisance or Noxious Activity. No noxious or offensive activity shall be carried on upon any Lot or the Roads by any Owner, worker hired by any Owner, or any Owner's guest or tenant, nor shall anything be done upon any Lot or the Roads which may be or become an annoyance or nuisance to the neighbors such as, but not limited to, the noise created by the operation of an excessive or unreasonable number of off-road vehicles or motorcycles on a Lot. No junk, railroad cars, buses, or other noxious, offensive, or unsafe equipment or materials may be stored on the Property.

3.11 Animals. Except as specifically set forth in this Section 3.10, no pets are allowed to run loose and become a nuisance to other Owners. No pets may be raised for sale, and commercial kennels of any kind are expressly prohibited. Hogs, swine, goats, exotic animals, and other dangerous pets that pose a safety or health threat to the community shall not be kept on any Lot. Other than as specifically provided herein, no livestock shall be permitted in or on the Property at any time. Chickens are allowed but the number has to be approved by the Association. No roosters are allowed. Any and all animals shall be kept in strict accordance with all applicable laws and ordinances in accordance with the rules and regulations of the state. The Owner is responsible for any property damage, injury, or disturbance caused or inflicted by an animal kept on the Owner's Property. The Owner of a Lot on which an animal is kept is deemed to have agreed to defend, indemnify, and hold harmless the Board, Declarant, builders, and the Association from any loss, claim, or liability resulting from any action of the animal or arising by reason of keeping the animal on the Property.

3.12 Lawns. Landscaping generally shall be in harmony with a natural occurring flora of the area using native or native hybrid plants as much as is practicable. All grass, landscaping, and vegetation on the Lots shall be maintained at regular intervals as needed to maintain a neat and well-maintained appearance up to Subdivision's standards, including keeping the Lot reasonably free of weeds, to the edge of the Roads. Additionally, the Owners of any Lots fronting or abutting Muir Road and/or Savage Lane shall be responsible for the lawn and landscaping maintenance to the edge of the public roadway. All landscaping, including lawns and shrubs, shall utilize native plants or hybrids to the extent practicable. Non-built lots must be mowed a minimum of four (4) times per year.

3.13 Signs. An Owner may erect an entrance sign to the Owner's Lot so long as the Owner first seeks and obtains approval of the Plans for such sign from the ARC. Signs are not otherwise allowed on any Lot except as set forth herein. One (1) sign per Lot will be allowed, not

more than four square feet, advertising a Lot for sale or lease. Declarant is permitted to use more signs or larger signs and to erect permanent signs at each entrance to the Property. Signs advertising contractors, subcontractors, or suppliers may be authorized by the Design Guidelines. Political signs may be erected upon a Lot by the Owner of the Lot advocating the election of one or more political candidates or the sponsorship of a political party, issue, or proposal provided such signs shall not exceed four feet (4') by six feet (6'), shall be erected no more than ninety (90) days in advance of the election to which they pertain, and are removed within ten (10) days after the election. Declarant or the Association shall have the right to remove any sign that does not comply with the above, and in doing so shall not be subject to any liability in connection with such removal.

3.14 No Adverse Conditions. No Owner or occupant shall construct any improvements or perform any work that will impair the Roads, easement, or right-of-way, or do any act or allow any condition to exist which will adversely affect the other Lots or their Owners or Residences.

3.15 Insurance. Each Owner must carry all risk casualty insurance for the full insurable value of the Residence and the other Structures on their Lot. Each Owner must use all insurance proceeds required to properly rebuild in case of a partial loss or damage, or in the case of complete damage, to either rebuild or clear all debris and return the Lot to substantially the natural state as it existed prior to destruction. After a casualty event, reconstruction must be promptly commenced and diligently pursued to completion (and in any event must be completed within eighteen (18) months and if not, the Owner shall make payment in the amount as described in Section 4.8). No damaged buildings, including the foundation, shall be allowed to remain on any Lot unless they are to be properly repaired or restored. Each Owner must carry homeowner's liability insurance at all times, including prior to the construction of improvements on the Lot.

3.16 Property Taxes. Each Owner shall be responsible for the payment of all ad valorem and other Property taxes owing on the Owner's Lot.

Each Owner releases and holds Declarant and the Association harmless from any uninsured liability, claims, causes of action or related (directly or indirectly) to any and all aspects of the gated entry system within the Property.

10.2 Indemnification. Each officer, director, ARC member, or other committee member, or agent of the Association shall be indemnified by the Association against all expenses and liabilities, including attorneys' fees, reasonably incurred by or imposed upon him, her, or it in any proceeding to which he, she, or it may be a party, or in which he, she, or it may become involved, by reason of his being or having been an officer, director, committee member, or agent of the Association; provided, however, that in the case of Declarant or any affiliate entity of Declarant, or any officer, director, or employee of Declarant or any affiliate, this indemnification shall not apply if Declarant or any affiliate or the indemnified officer, director, or employee of Declarant or any affiliate is adjudged guilty of gross negligence or malfeasance in the performance of his, her, or its obligation hereunder.

ARTICLE 11

PROTECTION OF MORTGAGEES AND SPECIAL MORTGAGEE PROVISIONS

11.1 Notice to Association. An Owner who mortgages his Lot shall notify the Association, giving the name and address of the mortgagee. Each mortgagee shall be permitted to notify the Association of the fact that such mortgagee holds a deed of trust or mortgage on a Lot. The Association may maintain a record of such information.

11.2 Examination of Books. The Association shall permit first or second mortgagees to examine the books and records of the Association during normal business hours.

11.3 Lien Subordination. Notwithstanding anything herein, any lien as described herein shall be superior to any and all charges, liens, or encumbrances which may in any manner arise or be imposed upon the Lot or in any manner arise or be imposed upon a Lot, whether arising from or imposed by judgment or decree or by any agreement, contract, mortgage, deed to secure debt, or other instrument excepting the following in which case the lien shall be subordinate: (i) such liens for taxes or other public charges as are by applicable law made superior, and (ii) all deeds of trust or mortgages given to secure a loan the proceeds of which are used to purchase a Lot or

Lots (together with any and all Structures which may from time to time be placed or located thereon) or the proceeds of which are used to finance the construction, repair, or alteration of Structures. Sale or transfer of any Lot shall not affect the lien and no sale or transfer shall relieve such Lot from liability except as provided in this Section 11.3, and such subordinated liability as described in this Section 11.3 that accrued prior to the mortgagee acquiring the Residence and/or Lot, whether by foreclosure, deed in lieu of foreclosure, or otherwise, shall continue to be a personal obligation of the Owner of the Residence and/or Lot immediately prior to the mortgagee's acquisition.

11.4 Notice of Action. An institutional holder, insurer, or guarantor of a first mortgage (an "eligible holder"), will be entitled to timely written notice of:

- (a) Any condemnation loss or any casualty loss which affects a material portion of the Subdivision, the Common Properties, or that affects any Residence on which there is a first mortgage held, insured, or guaranteed by such eligible holder;
- (b) Any delinquency in the payment of any Assessments, liens, or other charges owed by an Owner of a Residence subject to the mortgage of such eligible holder where such delinquency has continued for a period of sixty (60) days; provided, however, notwithstanding this provision, any holder of a first mortgage, upon request, is entitled to written notice from the Association of any default in the performance by its mortgagor of any obligation under the Declaration or Bylaws of the Association which is not cured within sixty (60) days;
- (c) Any proposed action which would require the consent of a specified percentage of eligible mortgagees; or
- (d) The Association failing to maintain insurance as required by the Declaration, and any lapse, cancellation, or threatened cancellation, or material modification thereof.

11.5 Special Mortgage Provision. So long as required by the Federal Housing Administration ("**FHA**"), the Veterans Administration ("**VA**"), the Federal National Mortgage Association ("**FNMA**"), the Federal Home Loan Mortgage Corporation ("**FHLMC**"), or the Department of Housing and Urban Development ("**HUD**"), the following provisions apply in addition to and not in lieu of the foregoing. Unless at least two-thirds (2/3) of the votes of Lot estates that are subject to mortgages and at least two-thirds (2/3) of the total Members of the Association consent, the Association shall not:

- (a) By act or omission seek to abandon, partition, subdivide, encumber, sell, or transfer the Common Properties that the Association owns, directly or indirectly (the granting of easements for public utilities or other similar purposes consistent with the intended use of the Common Properties shall

not be deemed a transfer within the meaning of this subsection);

- (b) Change the method of determining the obligations, assessments, dues, or other charges which may be levied against an Owner of a Residence;
- (c) By act or omission change, waive, or abandon any scheme of regulations or enforcement thereof pertaining to the architectural design or the exterior appearance and maintenance of Residences and of the Common Properties (the issuance and amendment of architectural standards, procedures, rules and regulations, or use restrictions shall not constitute a change, waiver, or abandonment within the meaning of this provision);
- (d) Fail to maintain insurance, as required by this Declaration;
- (e) Except as provided herein, use hazard insurance proceeds for any Common Properties losses for other than the repair, replacement, or reconstruction of such property; or
- (f) Amend this Declaration in a materially adverse nature to any mortgagee.

11.6 Insurance. The Association shall obtain such additional amounts and types of insurance as may be required from time to time, by the FHA, VA, FNMA, FHLMC, and HUD, their successors and assigns, for similar type residential subdivision communities.

11.7 No Priority. No provision of this Declaration or the Bylaws gives or shall be construed as giving any Owner or other party priority over any rights of the first mortgagee of any Residence in the cases of distribution to such Owner of insurance proceeds.

11.8 Federal Mortgage Law Change. Should the FHA, VA, FNMA, FHLMC, or HUD subsequently change any of their respective requirements which necessitate the provisions of this Article or make any such requirements less or more stringent, the Declaration shall be deemed to have been amended to reflect such changes without the necessity of an Association vote or the recording of an amendment to this Declaration; provided, however, should a mortgagee refuse to close the sale of a Residence or Lot without a recorded amendment reflecting the federal mortgage requirement change(s), the Board shall be empowered to execute and record an amendment to the Declaration without the necessity of an Association wide vote only to the extent necessary to comply with the respective requirements.

11.9 Applicability. Nothing contained in this Article shall be construed to reduce the percentage vote that must otherwise be obtained under Texas law for any of the acts set out in this Article except as specifically provided herein.

11.10 Failure of Mortgagee to Respond. Any mortgagee who receives a written request from the Association delivered by certified mail or registered mail with a return receipt requested to respond to or consent to any action shall be deemed to have approved such action if the

Association does not receive a written response from the mortgagee within sixty (60) days of the date of receipt of the Association's request.

ARTICLE 12

GENERAL PROVISIONS

12.1 Term of the Amendment to Restrictions. The provisions hereof, including the Restrictions, shall run with the Property and be binding on each Owner for a period of thirty (30) years from the date hereof, at which time all provisions shall be automatically extended for successive periods of ten (10) years, unless prior to the expiration of any such initial period or extended period, Declarant and at least seventy-five percent (75%) of the other Owners shall have executed and recorded an instrument to become operative at the expiration of the particular period. So long as Declarant owns at least one (1) Lot, these Restrictions may be amended or revoked only by Declarant, and no other Owner shall have a vote regarding amendment or revocation. After Declarant no longer owns any Lot, these Restrictions may be amended with the consent of sixty-seven percent (67%) of the Lot Owners, with each Lot being entitled to one (1) vote.

12.2 Complaints by Owner. If any Owner believes any other Owner is in violation of this Declaration or the other Governing Document, he, she, or it may so notify such Owner in writing, explaining the reasons for such complaint. If the Owner fails to remedy the alleged violation in ten (10) days after delivery of such notice, a complaint may be transmitted in writing to the President of the Association, who shall thereupon notify the Board. The Board shall have the right (but not the obligation or duty) to institute appropriate legal action, at law or in equity, to enforce this Declaration, and may recover its reasonable expenses, including attorneys' fees from the violating Owner. Without limiting the foregoing, the Association may take such other action as it deems necessary to cure the Owner's violation and the cost expended by the Association in doing so shall be a charge and lien upon the subject Lot.

12.3 Complaints by Association. If an Owner is in violation of this Declaration or the other Governing Documents, the Association may so notify such Owner in writing. If the Owner fails to remedy the violation within ten (10) days following delivery of such notice, then the Association shall have the right (but not the obligation or duty) to institute appropriate legal action, at law or in equity, including, but not limited to, obtaining a temporary restraining order and subsequent injunction, to enforce this Declaration, and may recover the damages owed by such Owner pursuant to Section 12.4 below, any other damages incurred by the Association, and its reasonable expenses, including attorneys' fees. Without limiting the foregoing, the Association may take such other action as it deems necessary to cure the Owner's violation and the cost expended by the Association in doing so shall be a charge and lien upon the subject Lot.

12.4 Per Day Damages for Violations. Any Owner in breach or violation of the Governing Documents shall incur a fine pursuant to the Summit Ranch Homeowners' Association Enforcement Policy and Fining Schedule until the breach or violation is remedied or cured. Such sum shall be payable to the Association as damages. The Board may increase these amounts in its discretion to ensure compliance with the Governing Documents.

12.5 Waiver of Enforcement. Waiver of enforcement of any provision of this Declaration shall be limited to that particular provision which is waived, in writing, as to a particular matter as it relates to a particular Lot, and shall not be construed to be a waiver of any other provision of this Declaration. A variance granted by Declarant or the Association is not a waiver.

12.6 Effect of Ordinances. Police, fire, and other public safety ordinances of any governmental corporation or unit having jurisdiction over any portion of the Property shall govern where more restrictive than this Declaration.

12.7 Bylaws. To the extent of any conflict between this Declaration and the Bylaws, this Declaration shall control.

12.8 Severability. Invalidation of any provision of this Declaration by judgement or court decree shall in no way affect any other provisions which shall remain in full force and effect. Nothing herein shall be in conflict with Texas homestead law. Should a provision herein be in conflict, Texas homestead law shall apply. All other provisions shall remain in full force and effect.

12.9 Dispute Resolution between Owners.

(a) Each Owner agrees that if any dispute arises between such Owner and Declarant, the Association, or the ARC as to any matter arising out of or related to this Declaration or the other Governing Documents, then before proceeding with any legal action the parties shall, with reasonable promptness, arrange a mutually agreeable time for a face-to-face meeting between fully authorized representatives to seek to resolve the dispute in a mutually acceptable manner.

(b) If the meeting described in (a) above fails to resolve the dispute or fails to occur, then said parties shall agree to promptly submit the dispute to mediation in Parker County, Texas before a single attorney mediator practicing law in Parker County, Texas (or any surrounding county) chosen by Declarant or the Association, as the case may be, and approved by the Owner within the Owner's reasonable discretion.

(c) If the mediation described in (b) above fails to resolve the dispute or fails to occur, then subject to Section 12.3 above and Section 12.9 (i) below, upon demand by either party the parties shall submit to binding arbitration all disputes between or among them arising out of or relating to this Agreement.

(d) Any arbitration proceeding in accordance with (c) above will (i) proceed in a location in Parker County, Texas (or any surrounding county) selected by the American Arbitration Association ("AAA"); (ii) be governed by the Federal Arbitration Action (Title 9 of the United States Code), notwithstanding any conflicting choice of law provision in any of the documents between the parties; and (iii) be conducted by the AAA, or such other administrator as the parties shall mutually agree upon, in accordance with the AAA's commercial dispute resolution procedures (the commercial dispute resolution procedures to be referred to as the "Rules"). If there is any inconsistency between the terms hereof and the Rules, the terms and procedures set forth

herein shall control. Any party who fails or refuses to submit to arbitration following a proper demand by any other party shall bear all costs and expenses incurred by such other party in compelling arbitration of any dispute.

(e) The arbitrator will determine whether or not an issue is arbitration and will give effect to the statutes of limitation in determining any claim. In any arbitration proceeding the arbitrator will decide (by documents only or with a hearing at the arbitrator's discretion) any prehearing motions which are similar to motions to dismiss for failure to state a claim or motion for summary adjudication. The arbitrator shall resolve all disputes in accordance with the substantive law of Texas and may grant any remedy or relief that a court of such state could order or grant within the scope hereof and such ancillary relief as is necessary to make effective any award. The arbitrator shall also have the power to award recovery of all costs and fees, to impose sanctions and to take such other action as the arbitrator deems necessary to the same extent a judge could pursuant to the Federal Rules of Civil Procedure, the Texas Rules of Civil Procedure or other applicable law. Judgement upon the award rendered by the arbitrator may be entered in any court having jurisdiction. The institution and maintenance of an action for judicial relief by Declarant or the Association or pursuit of a provisional or ancillary remedy by Declarant or the Association shall not constitute a waiver of the right of to submit the controversy or claim to arbitration if any other party contests such action for judicial relief.

(f) In any arbitration proceeding discovery will be permitted in accordance with the Rules. All discovery shall be expressly limited to matters directly relevant to the dispute being arbitrated and must be completed no later than twenty (20) days before the hearing date and within ninety (90) days of the filing of the dispute with the AAA. Any requests for an extension of the discovery periods, or any discovery disputes, will be subject to final determination by the arbitrator upon a showing that the request for discovery is essential for the party's presentation and that no alternative means for obtaining information is available.

(g) The arbitrator shall award all costs and expenses of the arbitration proceeding.

(h) To the maximum extent practicable, the AAA, the arbitrator, and the parties shall take all action required to conclude any arbitration proceeding within one hundred and twenty (120) days of the filing of the dispute with the AAA. No arbitrator as other party to an arbitration proceeding may disclose the existence, content or results thereof, except for disclosures of information by a party required in the ordinary course of its business or by applicable law or regulation. If more than one agreement for arbitration by or between the parties potentially applies to a dispute, then the arbitration provision most directly related to the Declaration or the subject matter of the dispute shall control.

(i) Notwithstanding the foregoing, this Section 12.9 shall not preclude the Declarant or the Association from exercising its rights pursuant to Section 12.3 or from seeking, in an appropriate court of law, an injunction or temporary restraining order otherwise designed to enforce against any Owner any such compliance with, and prohibit any further violation(s) of, this Declaration or the other Governing Documents.

12.10 Additional Property. Declarant may at any time subject additional land to this Declaration and the Restrictions by filing an amendment or supplement to this Declaration covering the additional land and declaring it to be subject hereto. Unless the additional land is an easement interest or a common use area, the land covered by the amendment to this Declaration shall be deemed to be a Lot or Lots, as described in the amendment or supplement, and part of the Property and each Owner of the additional land shall be deemed an Owner, and entitled to membership in the Association, in accordance with the terms of this Declaration.

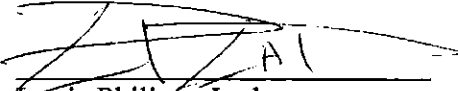

12.11 Prior Structure in Violation. Should any Lot contain a Structure that is in violation of any Governing Document, but the Structure would not have been in violation of any Governing Document in effect at the time of construction and the ARC approved the Structure prior to construction and before the Governing Document was changed, then the violating Structure shall be deemed to not be in violation of this Declaration. However, notwithstanding anything herein, if the foregoing Structure is replaced or reconstructed, in whole or part, it shall be constructed in conformity with the Governing Documents then in effect.

Executed to be effective the date this Declaration is recorded in the OPRPCT.
